To the residents of Ladd Park:

I would like to provide you with an update regarding the response of the Franklin Fire Department to all addresses within your subdivision.

- The Franklin Fire Department is the primary responding department to Ladd Park.
- Franklin Fire Station 7 is the nearest fire station to Ladd Park and is now located at 4201 Long Lane.
- Effective December 1, 2015 the City of Franklin will have an Insurances Services Office (ISO) Public Protection Classification of Class 1.

If necessary, Franklin Fire Administration will prepare an individual letter for your insurance company. It would include the proximity to the nearest fire hydrant and cross-street for a specific address. To request one please contact Franklin Fire Administration at 615-791-3270.

If you have additional questions, please don't hesitate to give us a call.

Sincerely,

Rocky Garzarek  
Fire Chief
